

(Warren, OH) On Thursday, U.S. Congressman Tim Ryan (OH-17) will attend the groundbreaking for the Bridgestone Technology Center in Akron, tour the Akron YMCA, and learn more about the far-reaching work of Ravenna's Swagelok Company. Congressman Ryan will be available at each event for comment; details of the events follow.

8:45 am to 10:15 am

Bridgestone Groundbreaking

1659 South Main Street, Akron

Congressman Ryan will join Governor Strickland and other local, state, and federal officials at the groundbreaking ceremony for the new Bridgestone technology center. Bridgestone has been in Akron for over 100 years, and hope to continue their strong presence in the community.

1:30 pm to 2:15 pm

Community Impact Tour at Akron YMCA

209 South Main Street, Akron

The Akron YMCA has been invested in its community since 1931, providing a wide range of services for local residents. Congressman Ryan will join the YMCA executive team, board members, and volunteers in a site tour/discussion of current and new programs and projects.

4:00 pm to 4:45 pm

Swagelok Company Site Tour

935 North Freedom Street, Ravenna

Swagelok Company is a billion-dollar, privately-held company that designs, manufactures, and delivers a range of high-quality fluid system products and solutions. Swagelok has authorized sales and service centers located in 57 countries on six continents.
